A party donation is a donation of money (or the equivalent of money), goods or services that is made to a party. A party donation includes:

- a donation of money or the equivalent of money, including where a person pays something for the party
- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500 (or \$50 if provided by an overseas person - see Part D for more information on who is an overseas person)
- where a party is provided with discounted goods or services and the
 reasonable market value of the goods or services is greater than \$1,500
 (or \$50 if provided by an overseas person); the difference between the
 contract or agreed price and the reasonable market value of the goods or
 services is a donation
- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)
- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

The following are not a party donation:

- · free labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less (or \$50 or less if from an overseas person), or
- a candidate donation that is included in a candidate's return of donations.

PART A: PARTY DONATIONS OF MORE THAN \$15,000

Instruction for Part A - Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2021 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see **Parts B, C, D, E, F** and **G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation (or more than \$50 if the contributor is an overseas person). Contributions of more than \$15,000 must be disclosed in Part B (or Part E for overseas contributors).

For any donations from a trust, include the name of the individual at whose direction the donation was made.

Anonymous overseas donations over \$50

Where you have reasonable grounds to suspect the anonymous donor is an overseas person, the party is entitled to keep \$50. The balance of the payment

PART F: DONATIONS PROTECTED FROM DISCLOSURE

Instructions for Part F – Donations protected from disclosure

A donation protected from disclosure enables a person to make an anonymous donation of more than \$1,500 to a registered party without their identity being disclosed to either the public or the party receiving the donation.

The current maximum amount that an individual or body can donate to any one party through this process is currently \$49,143 between two successive elections. No party may currently receive more than \$327,620 from donations protected from disclosure between two successive elections.

In Part F you must declare:

- the date the payment was received
- · the amount of the payment
- the amount of any interest included in the payment.

PART G: OTHER PARTY DONATIONS UP TO \$15,000

Instructions for Part G - Other party donations up to \$15,000

The total number and value of other party donations received in the following bands must be disclosed in **Part G**:

- anonymous party donations of \$1,500 or less
- party donations of more than \$1,500 up to and including \$5,000
- party donations of more than \$5,000 up to and including \$15,000.

Although aggregation is generally required for donations there is no requirement to aggregate donations from the same donor for the purposes of determining what donations to include and in which band in **Part G**. If a donor has made more than one donation in a category each donation should be counted separately when calculating the number of donations.

Example:

If you received two donations of \$3,000 from the same donor in the calendar year, these should be recorded as two donations in the 'Donations exceeding \$1,500 but not exceeding \$5,000' band.

Reasonable Assurance Report on New Zealand Council of the New Zealand Labour Party's Donations and Loans Return compliance with the requirements of sections 210 and 214C of the Electoral Act 1993 as evaluated against the Party Donations and Loans Return for the year ending 31 December 2021 (Direct Engagement)

To the New Zealand Council of the New Zealand Labour Party

Opinion

We have undertaken a reasonable assurance engagement on New Zealand Council of the New Zealand Labour Party's ("the Party") compliance, in all material respects, with the requirements of sections 210 and 214C of the Electoral Act 1993 (the "Act") as evaluated against the Party Donations and Loans Return for the year ending 31 December 2021 ("the Return").

In our opinion, except for the effects of the matters described in the Basis of Qualified Opinion section of our report, the Party has complied, in all material respects, with the requirements of the Act as evaluated against the Party Donations and Loans Return for the year ending 31 December 2021.

Basis for Opinion

With the exception of donations received via the online donation portal, there are limited controls that ensure donations included in the return are complete. Accordingly, we were unable to obtain sufficient appropriate evidence in this regard. Consequently, we were unable to determine whether any adjustments to the amount of donations revenue recorded was necessary.

We conducted our engagement in accordance with Standard on Assurance Engagements (SAE) 3100 (Revised) *Compliance Engagements* issued by the New Zealand Auditing and Assurance Standards Board.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Party's Responsibilities

The Party is responsible for:

- a. Preparation of the Return in compliance with the requirements of the Act; and
- b. Identification of risks that threaten the Act identified above being met and controls which will mitigate those risks and monitor ongoing compliance.

Our Independence and Quality Control

We have complied with the relevant ethical requirements relating to assurance engagements, which include independence and other requirements founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

In accordance with the Professional and Ethical Standard 3 (Amended) issued by the New Zealand Audit and Assurance Standards Board, the Grant Thornton New Zealand Audit Limited maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Assurance Practitioner's Responsibilities

Our responsibility is to express an opinion on the Party's compliance, in all material respects, with the Act as evaluated against the return throughout the year ending 31 December 2021. SAE 3100 (Revised) requires that we plan and perform our procedures to obtain reasonable assurance about whether the Party has complied, in all material respects, with the requirements of the Act, throughout the year ending 31 December 2021.

An assurance engagement to report on the Party's compliance with the Act involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the requirements of the Act. The procedures selected depend on our judgement, including the identification and assessment of risks of material non-compliance with the requirements of the Act as evaluated against the Return.

Other than in our capacity as auditor of New Zealand Council of New Zealand Labour Party for the year ended 31 December 2021 and providing taxation advice, we have no other relationship with, or interests in, the Party.

Inherent Limitations

Because of the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with compliance requirements may occur and not be detected.

A reasonable assurance engagement for the year ending 31 December 2021 does not provide assurance on whether compliance with the requirements of the Act will continue in the future.

Restricted Use

This report is made solely to the New Zealand Council of the New Zealand Labour Party in accordance with the requirements of the Act. Our compliance work has been undertaken so we can state to the New Zealand Council of the New Zealand Labour Party those matters undertaken and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the New Zealand Council of the New Zealand Labour Party for our compliance work, or for any other purpose other than that for which it was prepared.
