DONATIONS Complete Parts A to G

Party Donations

A party donation is a donation of money (or the equivalent of money), goods or services that is made to a party. A party donation includes:

- a donation of money or the equivalent of money, including where a person pays something for the party
- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500 (or \$50 if provided by an overseas person - see Part D for more information on who is an overseas person)
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500 (or \$50 if provided by an overseas person); the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation

- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)
- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

The following are not a party donation:

- free labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less (or \$50 or less if from an overseas person), or
- a candidate donation that is included in a candidate's return of donations.

PART A: PARTY DONATIONS OF MORE THAN \$15,000

Instruction for Part A – Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2021 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see **Parts B, C, D, E, F and G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation (or more than \$50 if the contributor is an overseas person). Contributions of more than \$15,000 must be disclosed in **Part B** (or **Part E** for overseas contributors).

For any donations from a trust, include the name of the individual at whose direction the donation was made.

A contribution is money, goods or services that makes up a donation or is included in a donation or has been used to wholly or partly fund a donation, that was given to the donor or a person who was expected to pass the contribution to the donor. Only complete **Part B** if the donation in **Part A** includes a contribution, from someone other than the donor, exceeding \$15,000.

For each contribution in **Part B** you will need to provide:

- the name and street address of each contributor
- the line number of the donation in **Part A** that the contribution was part of and the date the donation was received

PART C: ANONYMOUS PARTY DONATIONS OF MORE THAN \$1,500

Instructions for Part C – Anonymous donations over \$1,500

An anonymous donation is a donation made in such a way that the party who receives the donation does not know the identity of the donor and could not, in the circumstances, reasonably be expected to know the identity of the donor.

If an anonymous donation is over \$1,500 the party is entitled to keep \$1,500. The balance of the donation must, within 20 working days of receipt, be paid to the Electoral Commission for payment into a Crown bank account.

Anonymous overseas donations over \$50

Where you have reasonable grounds to suspect the anonymous donor is an overseas person, the party is entitled to keep \$50. The balance of the payment

must be paid to the Electoral Commission for payment into a Crown bank account. Please see Part D for more information on who is an overseas person.

In **Part C** you must declare:

- the date the donation was received; and
- the amount received; and
- the amount paid to the Electoral Commission; and
- the date payment was made to the Electoral Commission.

Instructions for Part D – Overseas donations over \$50

Donations from an overseas person

An overseas person is:

- an individual who resides outside New Zealand and is not a New Zealand citizen or registered elector, or
- a body corporate incorporated outside New Zealand; or
- an unincorporated body that has its head office or principal place of business outside New Zealand.

If a donation from an overseas person is over \$50 (either on its own or when aggregated with all other donations made by or on behalf of the same overseas person during the year) the party is entitled to keep \$50 and within 20 working days must either return the excess to the donor or pay the excess to the Electoral Commission.

In **Part D** you must declare:

- the name and street address of the overseas person; and
- the date the donation was received or, in the case of multiple donations, the date each donation was received; and
- the amount of the donation or, in the case of aggregated donations, the total amount of the donations; and

PART E: CONTRIBUTIONS FROM OVERSEAS PERSON OF MORE THAN \$50

Instructions for Part E - Overseas contributions over \$50

If you receive any donation from a donor who is not an overseas person that includes a contribution from an overseas person greater than \$50 (either on its own or when aggregated with other contributions to the donation by the same overseas person), you must return the whole donation to the donor. If that is not possible, you must forward the whole donation to the Electoral Commission.

In **Part E** you must declare:

- the name and street address of the overseas person; and
- the amount of the contribution, or the total amount of aggregated contributions; and
- the date the donation was received or, in the case of multiple donations, the date each donation was received; and

PART F: DONATIONS PROTECTED FROM DISCLOSURE

Instructions for Part F – Donations protected from disclosure

A donation protected from disclosure enables a person to make an anonymous donation of more than \$1,500 to a registered party without their identity being disclosed to either the public or the party receiving the donation.

The current maximum amount that an individual or body can donate to any one party through this process is currently \$49,143 between two successive elections. No party may currently receive more than \$327,620 from donations protected from disclosure between two successive elections.

In Part F you must declare:

- the date the payment was received
- the amount of the payment
- the amount of any interest included in the payment.

PART G: OTHER PARTY DONATIONS UP TO \$15,000

Instructions for Part G – Other party donations up to \$15,000

The total number and value of other party donations received in the following bands must be disclosed in **Part G**:

- anonymous party donations of \$1,500 or less
- party donations of more than \$1,500 up to and including \$5,000
- party donations of more than \$5,000 up to and including \$15,000.

Although aggregation is generally required for donations there is no requirement to aggregate donations from the same donor for the purposes of determining what donations to include and in which band in **Part G**. If a donor has made more than one donation in a category each donation should be counted separately when calculating the number of donations.

Example:

If you received two donations of \$3,000 from the same donor in the calendar year, these should be recorded as two donations in the 'Donations exceeding \$1,500 but not exceeding \$5,000' band.

Party Loans exceeding \$15,000

A party loan is a written or oral agreement under which a lender lends money to a political party. Money lent by a registered bank at a commercial interest rate is not a party loan, nor are credit cards and overdraft facilities with registered banks.

Instructions for Part H – Party loans exceeding \$15,000

Party loans from the same lender exceeding \$15,000 entered into during the year (including those exceeding \$30,000 that have been reported during the year under section 214F) must be reported in **Part H**.

Loans from the same lender need to be aggregated. Include loans entered into during the year not exceeding \$15,000, but that exceed \$15,000 when aggregated with all other loans from the same lender during 2020 or unpaid balances as at 31 December 2021 of any loans provided by the same lender in any previous year.

INDEPENDENT ASSURANCE REPORT

To the Party Secretary of New Zealand First Incorporated Report on the 2021 Party Donations and Loans Return

Qualified Opinion

We have undertaken a reasonable assurance engagement of the attached Party Donations and Loans Return for the year ended 31 December 2021 ("Return") of New Zealand First Incorporated ("NZ First" or "Party"), which comprises:

- Part A – Party donations of more than \$15,000
- Part B – Contributions of more than \$15,000
- Part C – Anonymous party donations of more than \$1,500
- Part D – Overseas party donations of more than \$50
- Part E – Contributions from overseas person of more than \$50
- Part F – Donations protected from disclosure
- Part G – Other party donations up to \$15,000
- Part H – Party loans exceeding \$15,000 and
- Part I – Party loans between \$1,500 and \$15,000.

The purpose of the engagement is to express an opinion on the Party's compliance, in all material respects, with sections 210 (which relates to the annual return of party donations) and 214C (which relates to the annual return of loans) of the Electoral Act 1993 for the year ended 31 December 2021.

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying Return, in all material respects, fairly reflects the party donations and loans received by the Party for the year ended 31 December 2021.

Basis for Qualified Opinion

We conducted our engagement in accordance with the Standard on Assurance Engagements (SAE) 3100 (Revised) issued by the New Zealand Auditing and Assurance Standards Board and believe the evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Our opinion is qualified on the following basis:

- Whilst we were granted access to bank statements for bank accounts of the Party's electorates, we are not the auditor of the electorates and accordingly were unable to assess the completeness of donations and loans which may have been received at electorate level.

- Donations may have been received in kind by way of goods and services that have a reasonable market value of greater than \$1,500 (other than volunteer labour) including the value of GST, and there are no practical audit procedures to determine whether they have been comprehensively recorded.
- The correct accounting for donations and loans between candidates and the Party may be incomplete.
- Controls over determining the residency status of donors is limited.
- There is no agreement in writing setting out the terms and conditions of the loans made by the lender to the Party. Accordingly, we were unable to conclude that proper records of loans entered into by the Party have been kept.

Due to the nature of these issues, we do not believe there is further information that can be provided to us by the Party which would allow us to determine the effect of these limited controls. Consequently, we were unable to determine whether any adjustments to the reported amounts of party donations and loans were required.

The Party Secretary's Responsibility for the Return

The Party Secretary is responsible on behalf of the entity for the preparation of a Return which fairly reflects the Party's donations and loans received during the year ended 31 December 2021 in accordance with sections 210 and 214C of the Electoral Act 1993, and for such internal control as the Party Secretary determines is necessary to enable the preparation of a Return that is free from material misstatements, whether due to fraud or error.

Our Independence and Quality Control

We have complied with the relevant ethical requirements relating to assurance engagements, which include independence and other requirements based on the fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

In accordance with Professional and Ethical Standard 3 (Amended), we maintain a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Assurance Practitioner's Responsibilities

Our responsibility is to express an opinion on, and SAE 3100 (Revised) requires that we plan and perform our procedures to obtain reasonable assurance about, whether the Party has complied, in all material respects, with sections 210 and 214C of the Electoral Act 1993.

We perform procedures in order to obtain evidence about the Party's compliance with, and the controls implemented to meet, sections 210 and 214C of the Electoral Act 1993. The procedures selected depend on our judgement, including the identification and assessment of risks that material non-compliance with sections 210 and 214C of the Electoral Act 1993 is likely to arise.

Other than in our capacity as the Party's independent assurance practitioners, we have no relationship with, or interests in, the Party.

Inherent Limitations

Because of the inherent limitations of an assurance engagement, together with the internal control structure, it is possible that fraud, error, or non-compliance with sections 210 and 214C of the Electoral Act 1993 may occur and not be detected.

A reasonable assurance engagement for the year ended 31 December 2021 does not provide assurance on whether compliance with sections 210 and 214C of the Electoral Act 1993 will continue in the future.

Restricted Use

This report has been prepared for use by the Party Secretary for the sole purpose of establishing whether the Party has complied with sections 210 and 214C of the Electoral Act 1993. No responsibility is accepted for any reliance on this report by any person other than the Party Secretary, or for any other purpose other than that for which it was prepared.

I confirm and take responsibility for the following representations after taking all reasonable steps to assure myself of them:

- 1 The return has been prepared in accordance with the relevant provisions of the Act.
- 2 I acknowledge my responsibility for the preparation of the return in compliance with the Act, including identifying the risks that threaten the compliance requirements being met, and designing, implementing and maintaining internal controls to mitigate those risks, including the risk of fraud, so that those risks will not prevent achievement of the compliance requirements.

- 4 All records, documents, and accounts (records) have been kept by the Party (including subsidiary entities) and made available to you, and these materials will be retained in accordance with the requirements of the Act.
- 5 For all donations over \$50 (other than anonymous donations), I have established and implemented processes to ensure that all reasonable steps in the circumstances have been taken to check whether a donation is made by or on behalf of an overseas person or includes a contribution made by or on behalf of an overseas person.
- 6 I have disclosed to you to the best of my knowledge:
 - 6.1 any material transactions not disclosed in the records;
 - 6.2 any alleged, suspected or proven illegal activity under the Act or other legislation potentially relevant to the return or instances of non-compliance with applicable requirements;

 - 6.4 any design deficiencies in the compliance system and instances where that system has not operated as described; and
 - 6.5 any events subsequent to the date of this letter that could have a significant effect on your conclusion.
- 7 The return contains the total returnable donations received by the Party in the 2021 calendar year or for parties registered during 2021, from the date of registration to 31 December. The return includes:
 - 7.1 donations in the form of money, goods or services paid for by others, discounts given on goods or services provided to the party, premiums paid in respect of good or services provided by the party, and credit provided to the party at terms more favourable than the prevailing commercial terms, including the value of GST on any of those items;
 - 7.2 donations of more than \$15,000 in aggregate from an individual donor;
 - 7.3 donation contributions of more than \$1,500 from an individual contributor that add up to more than \$15,000 in aggregate from that contributor;

- 8 The return includes:
 - 8.1 Any loans entered into during the year that exceed \$15,000;
 - 8.2 Any loans exceeding \$15,000 entered into in any previous year that have an unpaid balance exceeding \$15,000 as at 31 December 2021;
 - 8.3 Any loans entered into during the year of less than or equal to \$15,000 if the loan exceeds \$15,000 when aggregated with all other loans entered into during the year by the same lender and any unpaid balances of any loans from the same lender in any previous year;
 - 8.4 The number and aggregate amount of all other loans entered into during the year of not less than \$1,500 and not more than \$15,000.
- 9 The return's contents have been determined by considering the questions set out in the Appendix to this letter and the relevant provisions of the Act.
- 10 Where an assessment has been made of the reasonable market value of a donation, the basis of the assessment is fair and appropriate, and has been properly applied and recorded.

- 11 Any and all misstatements you have identified during the course of your assurance engagement have been adjusted in the final return.
- 12 I have completed my own procedures, distinct from your assurance engagement processes, to evaluate the accuracy and completeness of the return.

APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:

What benefits to the party were donations? [sections 3, 207 and 207A]	
<i>Was the donation made to the party or to any person or organisation on behalf of the party?</i>	<p>The party is the registered political party.</p> <p>Apart from candidate donations, all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be recorded as being received by the party.</p> <p>The only segment of political parties recognised distinctly in electoral law is candidates.</p>
<i>What gifts of money did the party receive?</i>	<p>Donations include any money donated to the party, regardless of method of payment. This includes donations protected from disclosure.</p>
