Dear Mr Browning

**Letter of Representation for Party Donations Return
for the 2008 calendar year**

This representation letter is furnished in connection with the return of party donations for the 2008 calendar year (the return) by the Workers Party (the Party) made in accordance with section 51 of the Electoral Finance Act 2007 (the Act) which has been audited by you in accordance with section 52 of the Act.

We understand that your audit was conducted in accordance with the relevant provisions of the Act and the Auditing Standards issued by the New Zealand Institute of Chartered Accountants.

We confirm and take responsibility for the following representations after taking all reasonable steps to assure [myself/ourselves] of them:

- 1 The return has been prepared in accordance with the relevant provisions of the Act.
- 2 We are responsible for establishing and maintaining a system of internal control designed to provide reasonable assurance as to the integrity and reliability of the return. We have done this, and all explanations or demonstrations of this to you have been complete and accurate.
- 3 All records, documents and accounts (records) have been kept by the Party (including subsidiary entities) and made available to you, and these materials will be retained in accordance with the requirements of the Act.
- 4 We have disclosed to you:
 - 4.1 any material transactions not disclosed in the records;
 - 4.2 any alleged, suspected or proven illegal activity under the Act or other legislation potentially relevant to the return;
 - 4.3 the fact of, and results from, any assessment made by us that considered whether the records of the Party may be materially misstated or incomplete for any reason.
- 5 The return contains the total returnable donations received by the Party in the 2008 calendar year. The return includes:

- 5.1 donations in the form of money, goods or services paid for by others, discounts given on goods or services provided to the party, premiums paid in respect of good or services provided by the party, and credit provided to the party at terms more favourable than the prevailing commercial terms, including the value of GST on any of those items;
 - 5.2 donations of more than \$10,000 in aggregate from an individual donor, whether by direct donation or as a contributor to a donation, and anonymous and overseas donations and contributions of more than \$1,000;
 - 5.3 payments received from the Electoral Commission of donations protected from disclosure.
- 6 The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:
- 6.1 What benefits to the party were "donations"?
 - 6.1.1 What gifts of money did the party receive?

Any money donated to the party, regardless of method of payment, is a donation [section 21 definition of **party donation**]. This includes donations protected from disclosure [see below].
 - 6.1.2 What gifts of goods or services did the party receive?

Any goods or services donated to the party are donations, including the value of GST [section 21 definition of **party donation**, and section 22]
 - 6.1.3 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided to the party at a discount?

Where the reasonable market value is more than \$1,000, the difference in value (discount) is a donation [section 21 definition of **party donation** at paragraph (a)(i), and section 22]
 - 6.1.4 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided by the party at a premium?

The difference in value (premium) is a donation [section 21 definition of **party donation** at paragraph (a)(ii), and section 22]
 - 6.1.5 What was the value to the party of the terms and conditions of any credit provided to the party on more favourable terms and conditions than prevailed at the time?

The value to the party of the more favourable terms and conditions is a donation [section 21 definition of **party donation** at paragraph (a)(iii)]

6.2 What donations were made to the “party”?

6.2.1 Was the donation provided to the party or to any person or organisation on behalf of the party?

The “party” is the registered political party [section 4 definition of **party** and paragraph 6.4 below].

Apart from candidate donations [paragraph 6.3 below], all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be returned as being received by the party.

The only segment of political parties recognised distinctly in electoral law is “candidates” (and Members of Parliament, for some election expense purposes only).

6.3 Do any of the donations identified above, or components of those donations, fall within the party donation exclusions? [section 21 definition of **party donation** at paragraph (b)]

the labour of any person provided free of charge by that person

any candidate donation that is included in a candidate donation return

Do not include these items in the calculation of party donations.

6.4 Apart from donations protected from disclosure, which persons made “donations” to the party and which persons made “contributions to a donation”? [section 51(1) and paragraph 6.5 below]

6.4.1 Did person A make the donation directly to the party (or any person or organisation involved in the administration of the affairs of the party)?

If yes:

Person A is a “donor” and made a “donation” [section 21 definition of **donor** and definition of **party donation**].

Include this donation in the calculation of donations from person A.

If no:

6.4.2 Did person A give the donation to another person or organisation (person B) to forward on (transmit) to the party?

If yes:

Person A is a “donor” and made a “donation” [section 21 definition **donor** and definition of **transmitter**, and section 23].

Include this donation in the calculation of donations from person A.

Person B is a "transmitter" and is not a donor [section 21 definition **donor** and definition of **transmitter**, and section 23].

Do not include this transmission in the calculation of donations or contributions from person B.

If no:

- 6.4.3 Did person A give the donation to another person or organisation (person C) with the knowledge or expectation that it would be wholly or partly applied to funding a donation?

If yes:

Person A is a "contributor" and made a "contribution to a donation" [section 21 definition of **contribution** and definition of **contributor**].

Include this contribution in the calculation of contributions to donations from person A.

Person C is a "donor" and made a "donation" [section 21 definition of **donor** and definition of **donation funded from contributions**].

Include the donation that person A contributed to (that is, the entire donation that was given to the party by person C) in the calculation of donations from person C.

NOTE: whether an intermediary is a **transmitter** of a donation on behalf of a donor, or is a **donor** making a donation funded from contributions, will be a question of fact taking into account all of the provisions pertaining to **transmitters** and **contributions**.

- 6.5 Which donations must be included in the return? [section 51]

- 6.5.1 Which donors donated more than \$10,000 in aggregate during the calendar year? [section 51(1)(a)]

This includes any donations made through a transmitter [paragraph 6.4.2 above]

- 6.5.2 Which contributors to a donation contributed more than \$10,000 in aggregate during the calendar year? [section 51(1)(b)]

- 6.5.3 Which anonymous donations or anonymous contributions to a donation exceeded \$1,000 and who was the excess returned or paid to? [section 21 definition of **anonymous**, section 30 and section 51(1)(c)]

- 6.5.4 Which donations or contributions to a donation made by overseas persons exceeded \$1,000 and who was the excess returned or paid to? [section 32(1) definition of **overseas person** and the remainder of section 32, and section 51(1)(d)]
- 6.5.5 How much did the party receive from the Electoral Commission in payments of donations protected from disclosure and how much interest was included in those payments? [section 41(1) and section 51(1)(e)]

Include in the return all donations and contributions falling into these categories.

- 7 Where an assessment has been made of the reasonable market value of a donation, the basis of the assessment is fair and appropriate, and has been properly applied and recorded.
- 8 Any and all misstatements you have identified during the course of your audit have been adjusted in the final return.
- 9 [I/We] have completed our own procedures, distinct from your audit processes, to evaluate the accuracy and completeness of the return.
- 10 The return is free of any material misstatements or omissions.

These representations are made in terms mutually agreed between us, and to supplement information obtained by you from the records of the Party and to confirm information given to you orally.

Yours sincerely,

Daphna Whitmore

Special Purpose Audit Report

For The Workers Party of New Zealand

To the Electoral Commission

For the purposes of section 51 of the Electoral Finance Act 2007

We have audited the party donation return for 2008 of the Workers Party of New Zealand (Party) as required by section 52 of the Electoral Finance Act 2007. The return is in the form and contains the particulars prescribed by Section 51 of the Act. The 2008 party donation return provides financial information in the prescribed format about the donations received by the Workers Party of New Zealand during the 2008 year from 1 January 2008 to 31 December 2008.

This audit report should not be used or relied upon by any person except by those to whom it is addressed. We do not accept any liability for losses suffered by any unauthorised user as a result of the circulation, publication, reproduction, or use of this report.

Financial Agents'/Party Secretary's Responsibilities

The Financial Agent and Party Secretary are responsible for the preparation of the 2008 party donation return in accordance with the requirements of section 51 of the Electoral Finance Act 2007.

Auditor's Responsibilities

It is our responsibility to express an independent opinion on the 2008 party donation return presented by the Financial Agent/Party Secretary.

Basis of Opinion

Our audit examined whether:

- The 2008 party donation return had been compiled correctly by the Workers Party of New Zealand in accordance with the requirements of the Electoral Finance Act 2007; and
- The 2008 party donation return showed all party donations received from all sources during the year end 31 December 2008 in accordance with the required statutory disclosures.

We conducted our audit in accordance with New Zealand Auditing Standards except the scope of work was limited as explained below. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain reasonable assurance that the 2008 party donation return is free from material misstatements whether caused by fraud or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the 2008 party donation return.

Other than in our capacity as auditor our firm has no other relationship with, or interests in, the Party.

Qualified Opinion

Although the return is based on the records of the Party there was no system of internal control over donations received on which we could rely for the purposes of our audit and there was no satisfactory audit procedures that we could adopt to confirm independently that all donations received were properly recorded.

In this respect alone:

- We have not obtained all the information and explanations that we have required; and:
- We were unable to determine whether the 2008 party donation return has been compiled properly in accordance with the requirements of the Electoral Finance Act 2007.

Because of the potential effect of the limitation in the evidence available to us, we are unable to form an opinion as to whether the party donation return for 2008 gives a true and fair view of party donations for the 2008 year.

Our audit was completed on 31 March 2009 and our qualified opinion is expressed as at that date.
