NEW ZEALAND FIRST INDEPENDENT AUDITOR'S REPORT

To the Party Secretary of New Zealand First

Report on the Party Donations Return

We have been engaged to audit the attached Party Donations Return ("Return") of New Zealand First ("the Party") on pages 2 to 6, which comprises Part A (every donor who has donated over \$10,000 during the year), Part B (every contributor who has contributed over \$10,000 during the year), Part C (every anonymous donation received that was over \$1,000), Part D (every donation or contribution from an overseas person that was over \$1,000), and Part E (all payments from the Electoral Commission of donations protected from disclosure).

Party Secretary's Responsibilities for the Party Donations Return

The Party Secretary is responsible for the preparation of a Return which correctly presents the Party's donations received during the year ended 31 December 2010 in accordance with section 210 of the Electoral Act 1993.

Auditor's Responsibility

Our responsibility is to express an opinion on the Return based on conducting the audit in accordance with International Standards on Auditing (New Zealand). However, because of the matters described in the Basis for Disclaimer of Opinion paragraph below we were not able to obtain sufficient appropriate audit evidence to provide the basis for an audit opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the Party.

Basis for Disclaimer of Opinion on the Return

The scope of our work was limited in that:

- we are not the auditor of the Party's branches and accordingly were unable to assess the completeness of donations which may have been received at branch level
- donations may have been received in kind by way of goods or services provided free of charge, or for less than market value and there are no practical audit procedures to determine whether they have been comprehensively recorded or not
- donations may have been received in cash and there are no practical audit procedures to determine whether they have been comprehensively recorded or not and
- the correct accounting for donations between candidates and the Party may be incomplete and there are no practical audit procedures available to assess whether all such donations have been properly accounted for.

Disclaimer of Opinion on the Return

Because of the limitations in our audit scope, as outlined above, we are unable to form an opinion as to whether the Party Donations Return for 2010 of New Zealand First complies with the Electoral Act 1993.

Apart from the matters noted above we have obtained all the information and explanations that we have required.

**Letter of Representation for Party Donations Return
for the 2010 calendar year**

This representation letter is furnished in connection with the return of party donations for the 2010 calendar year (the return) by New Zealand First (the Party) made in accordance with section 210 of the Electoral Act 1993 (the Act) which has been audited by you in accordance with section 210A of the Act.

I understand that your audit was conducted in accordance with the relevant provisions of the Act and the Auditing and Assurance Standards issued by the New Zealand Institute of Chartered Accountants.

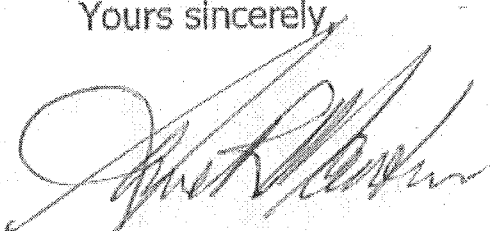

I confirm and take responsibility for the following representations after taking all reasonable steps to assure myself of them:

- 1 The return has been prepared in accordance with the relevant provisions of the Act.
- 2 I am responsible for establishing and maintaining a system of internal control designed to provide reasonable assurance as to the integrity and reliability of the return. I have done this, and all explanations or demonstrations of this to you have been complete and accurate.
- 3 All records, documents and accounts (records) have been kept by the Party (including subsidiary entities) and made available to you, and these materials will be retained in accordance with the requirements of the Act.
- 4 I have disclosed to you to the best of my knowledge:
 - 4.1 any material transactions not disclosed in the records;
 - 4.2 any alleged, suspected or proven illegal activity under the Act or other legislation potentially relevant to the return;

- 4.3 the fact of, and results from, any assessment made by me that considered whether the records of the Party may be materially misstated or incomplete for any reason.
- 5 The return contains the total returnable donations received by the Party in the 2010 calendar year. The return includes:
- 5.1 donations in the form of money, goods or services paid for by others, discounts given on goods or services provided to the party, premiums paid in respect of good or services provided by the party, and credit provided to the party at terms more favourable than the prevailing commercial terms, including the value of GST on any of those items;
- 5.2 donations of more than \$10,000 in aggregate from an individual donor, contributions to donations of more than \$10,000 in aggregate from an individual contributor, and anonymous and overseas donations and contributions of more than \$1,000;
- 5.3 payments received from the Electoral Commission of donations protected from disclosure.
- 6 The return's contents have been determined by considering the questions set out in the Appendix to this letter and the relevant provisions of the Act.
- 7 Where an assessment has been made of the reasonable market value of a donation, the basis of the assessment is fair and appropriate, and has been properly applied and recorded.
- 8 Any and all misstatements you have identified during the course of your audit have been adjusted in the final return.
- 9 I have completed our own procedures, distinct from your audit processes, to evaluate the accuracy and completeness of the return.
- 10 The return is free of any material misstatements or omissions.

These representations are made in terms mutually agreed between us, and to supplement information obtained by you from the records of the Party and to confirm information given to you orally.

Yours sincerely,

Anne Martin
Party Secretary

APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:

11 What benefits to the party were "donations"?

11.1 What gifts of money did the party receive?

Any money donated to the party, regardless of method of payment, is a donation [section 207 definition of **party donation**]. This includes donations protected from disclosure [see below].

11.2 What gifts of goods or services did the party receive?

Any goods or services donated to the party are donations, including the value of GST [section 207 definition of **party donation**, and section 207A].

11.3 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided to the party at a discount?

Where the reasonable market value is more than \$1,000, the difference in value (discount) is a donation [section 207 definition of **party donation** at paragraph (a)(i), and section 207A].

11.4 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided by the party at a premium?

The difference in value (premium) is a donation [section 207 definition of **party donation** at paragraph (a)(ii), and section 207A].

11.5 What was the value to the party of the terms and conditions of any credit provided to the party on more favourable terms and conditions than prevailed at the time?

The value to the party of the more favourable terms and conditions is a donation [section 207 definition of **party donation** at paragraph (a)(iii)].

12 What donations were made to the "party"?

12.1 Was the donation provided to the party or to any person or organisation on behalf of the party? [section 207 definition of **party donation**]

The "party" is the registered political party [section 3 definition of **party**, and paragraph 14 below].

Apart from candidate donations [paragraph 13 below], all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be returned as being received by the party.

The only segment of political parties recognised distinctly in electoral law is "candidates".

13 Do any of the donations identified above, or components of those donations, fall within the party donation exclusions? [section 207 definition of **party donation** at paragraph (b)]

- the labour of any person provided free of charge by that person
- any candidate donation that is included in a candidate donation return filed under section 209
- Do not include these items in the calculation of party donations.

14 Apart from donations protected from disclosure, which persons made "donations" to the party and which persons made "contributions to a donation"? [section 210(1) and paragraph 15 below]

14.1 Did person A make the donation directly to the party (or any person or organisation involved in the administration of the affairs of the party)?

If yes:

- Person A is a "donor" and made a "donation" [section 207 definition of **donor** and definition of **party donation**].

Include this donation in the calculation of donations from person A.

If no:

14.2 Did person A give their donation to another person or organisation (person B) to forward on (transmit) to the party?

If yes:

- Person A is a "donor" and made a "donation" [section 207 definition of **donor** and definition of **transmitter**, and section 207B].

Include this donation in the calculation of donations from person A.

- Person B is a "transmitter" and is not a donor [section 21 definition of **donor** and definition of **transmitter**, and section 207B].

Do not include this transmission in the calculation of donations or contributions from person B.

If no:

14.3 Did person A give their donation to another person or organisation (person C) with the knowledge or expectation that it would be wholly or partly applied to funding a donation to the party?

If yes:

- Person A is a "contributor" and made a "contribution to a donation" [section 207 definition of **contribution** and definition of **contributor**, and section 207C].

Include this contribution in the calculation of contributions to donations from person A.

- Person C is a "donor" and made a "donation" [section 207 definition of **donor** and definition of **donation funded from contributions**, and section 207C].

Include the donation that person A contributed to (that is, the entire donation that was given to the party by person C) in the calculation of donations from person C.

NOTE: whether an intermediary is a **transmitter** of a donation on behalf of a donor, or is a **donor** making a donation funded from contributions, will be a question of fact taking into account all of the provisions pertaining to **transmitters** and **contributions**.

- 15 Which donations must be included in the return? [section 210]
- 15.1 Which donors donated more than \$10,000 in aggregate during the calendar year? [section 210(1)(a)]
- This includes any donations made through a transmitter [paragraph 14.2 above].
- Include these donations in the return in **Part A**
- 15.2 Which contributors to a donation contributed more than \$10,000 in aggregate during the calendar year? [section 210(1)(b)]
- Include these contributions in the return in **Part B**
- 15.3 Which anonymous donations exceeded \$1,000 and who was the excess returned or paid to? [section 207 definition of anonymous, section 207I and section 210(1)(c)]
- Include these donations in the return in **Part C**
- 15.4 Which donations or contributions to a donation made by overseas persons exceeded \$1,000 and who was the excess returned or paid to? [section 207K(1) definition of overseas person and the remainder of section 207K, and section 210(1)(d)]
- Include these donations and contributions in the return in **Part D**
- 15.5 How much did the party receive from the Electoral Commission in payments of donations protected from disclosure and how much interest was included in those payments? [section 208D and section 210(1)(e)]
- Include these donations in the return in **Part E**
