## APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:

11 What benefits to the party were "donations"?

11.1 What gifts of money did the party receive?

Any money donated to the party, regardless of method of payment, is a donation [section 207 definition of **party donation**]. This includes donations protected from disclosure [see below].

11.2 What gifts of goods or services did the party receive?

Any goods or services donated to the party are donations, including the value of GST [section 207 definition of **party donation**, and section 207A].

11.3 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided to the party at a discount?

Where the reasonable market value is more than \$1,000, the difference in value (discount) is a donation [section 207 definition of **party donation** at paragraph (a)(i), and section 207A].

11.4 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided by the party at a premium?

The difference in value (premium) is a donation [section 207 definition of **party donation** at paragraph (a)(ii), and section 207A].

11.5 What was the value to the party of the terms and conditions of any credit provided to the party on more favourable terms and conditions than prevailed at the time?

The value to the party of the more favourable terms and conditions is a donation [section 207 definition of **party donation** at paragraph (a)(iii)].

12 What donations were made to the "party"?

12.1 Was the donation provided to the party or to any person or organisation on behalf of the party? [section 207 definition of **party donation**]

The "party" is the registered political party [section 3 definition of **party**, and paragraph 14 below].

Apart from candidate donations [paragraph 13 below], all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be returned as being received by the party.

The only segment of political parties recognised distinctly in electoral law is "candidates" (and Members of Parliament, for some election expense purposes only).

13 Do any of the donations identified above, or components of those donations, fall within the party donation exclusions? [section 207 definition of **party donation** at paragraph (b)]

- the labour of any person provided free of charge by that person
- any candidate donation that is included in a candidate donation return filed under section 209

Do not include these items in the calculation of party donations.

14 Apart from donations protected from disclosure, which persons made "donations" to the party and which persons made "contributions to a donation"? [section 210(1) and paragraph 15 below]

14.1 Did person A make the donation directly to the party (or any person or organisation involved in the administration of the affairs of the party)?

If yes:

- Person A is a "donor" and made a "donation" [section 207 definition of **donor** and definition of **party donation**].

Include this donation in the calculation of donations from person A.

If no:

14.2 Did person A give their donation to another person or organisation (person B) to forward on (transmit) to the party?

If yes:

- Person A is a "donor" and made a "donation" [section 207 definition of **donor** and definition of **transmitter**, and section 207B].

Include this donation in the calculation of donations from person A.

- Person B is a "transmitter" and is not a donor [section 21 definition of **donor** and definition of **transmitter**, and section 207B].

Do not include this transmission in the calculation of donations or contributions from person B.

If no:

14.3 Did person A give their donation to another person or organisation (person C) with the knowledge or expectation that it would be wholly or partly applied to funding a donation to the party?

If yes:

- Person A is a "contributor" and made a "contribution to a donation" [section 207 definition of **contribution** and definition of **contributor**, and section 207C].

Include this contribution in the calculation of contributions to donations from person A.

- Person C is a "donor" and made a "donation" [section 207 definition of **donor** and definition of **donation funded from contributions**, and section 207C].

Include the donation that person A contributed to (that is, the entire donation that was given to the party by person C) in the calculation of donations from person C.

**NOTE:** whether an intermediary is a **transmitter** of a donation on behalf of a donor, or is a **donor** making a donation funded from contributions, will be a question of fact taking into account all of the provisions pertaining to **transmitters** and **contributions**.

- 15 Which donations must be included in the return? [section 210]
- 15.1 Which donors donated more than \$10,000 in aggregate during the calendar year? [section 210(1)(a)]
- This includes any donations made through a transmitter [paragraph 14.2 above].
- Include these donations in the return in **Part A**
- 15.2 Which contributors to a donation contributed more than \$10,000 in aggregate during the calendar year? [section 210(1)(b)]
- Include these contributions in the return in **Part B**
- 15.3 Which anonymous donations exceeded \$1,000 and who was the excess returned or paid to? [section 207 definition of anonymous, section 207I and section 210(1)(c)]
- Include these donations in the return in **Part C**
- 15.4 Which donations or contributions to a donation made by overseas persons exceeded \$1,000 and who was the excess returned or paid to? [section 207K(1) definition of overseas person and the remainder of section 207K, and section 210(1)(d)]
- Include these donations and contributions in the return in **Part D**
- 15.5 How much did the party receive from the Electoral Commission in payments of donations protected from disclosure and how much interest was included in those payments? [section 208D and section 210(1)(e)]
- Include these donations in the return in **Part E**

### Party Secretary's Responsibilities for the Party Donation Return

The Party Secretary is responsible for the preparation of a Return which correctly presents the Party's donations received during the year ended 31 December 2011 in accordance with section 210 of the Electoral Act 1993.

### Auditor's Responsibilities

Our responsibility is to express an independent opinion on the Return based on conducting the audit in accordance with International Standards on Auditing (New Zealand). However, because of the matters described in the Basis for Disclaimer of Opinion paragraph below we were not able to obtain sufficient appropriate audit evidence to provide the basis for an audit opinion.

Other than in our capacity as audit we have no relationship with, or interests in, the Party.

### Basis for Disclaimer of Opinion on the Return

The scope of work was limited in that:

- We are not the auditor of the Party's electorates and accordingly were unable to assess the completeness of donations which may have been received at electorate level;
- Donations may have been received in kind by way of goods or services provided free of charge, or for less than market value and there are no practical audit procedures to determine whether they have been comprehensively recorded;
- Donations may have been received in cash and there is no practical audit procedures to determine whether they have been comprehensively recorded; and
- The correct accounting for donations between candidates and the Party may be incomplete and there are no practical audit procedures available to assess whether all such donations have been properly accounted for.

### Disclaimer of Opinion on the Return

Because of the limitations in our audit scope, as outline above, we are unable to form an opinion as to whether the Party Donations Return for 2011 of New Citizen Party complies with the Electoral Act 1993.

Apart from the matters noted above we have obtained all the information and explanations that we have required.
