Dear Peter,

Letter of Representation for Party Donations Return for the 2012 calendar year

This representation letter is furnished in connection with the return of party donations for the 2012 calendar year (the return) by Democrats for Social Credit (the Party) made in accordance with section 210 of the Electoral Act 1993 (the Act) which has been audited by you in accordance with section 210A of the Act.

I understand that your audit was conducted in accordance with the relevant provisions of the Act and the Auditing and Assurance Standards issued by the New Zealand Institute of Chartered Accountants.

I confirm and take responsibility for the following representations after taking all reasonable steps to assure myself of them:

The return has been prepared in accordance with the relevant provisions of the Act.

I am responsible for establishing and maintaining a system of internal control designed to provide reasonable assurance as to the integrity and reliability of the return. I have done this, and all explanations or demonstrations of this to you have been complete and accurate.

All records, documents and accounts (records) have been kept by the Party (including subsidiary entities) and made available to you, and these materials will be retained in accordance with the requirements of the Act.

I have disclosed to you to the best of my knowledge:

- 1.1 any material transactions not disclosed in the records;

RH

- 1.2 any alleged, suspected or proven illegal activity under the Act or other legislation potentially relevant to the return;
- 1.3 the fact of, and results from, any assessment made by me that considered whether the records of the Party may be materially misstated or incomplete for any reason.

The return contains the total returnable donations received by the Party in the 2012 calendar year. The return includes:

- 1.4 donations in the form of money, goods or services paid for by others, discounts given on goods or services provided to the party, premiums paid in respect of good or services provided by the party, and credit provided to the party at terms more favourable than the prevailing commercial terms, including the value of GST on any of those items;
- 1.5 donations of more than \$15,000 in aggregate from an individual donor;
- 1.6 donation contributions of more than \$1,500 from an individual contributor that add up to more than \$15,000 in aggregate from that contributor;
- 1.7 anonymous donations, overseas donations, and contributions to donations of more than \$1,500;
- 1.8 donation contributions from an overseas person of more than \$1,500
- 1.9 the number of, and aggregate amount of, donations of more than \$5,000 but not more than \$15,000;
- 1.10 the number of, and aggregate amount of, donations of more than \$1,500 but not more than \$5,000
- 1.11 the number of, and aggregate amount of, anonymous donations, and overseas donations, of \$1,500 or less
- 1.12 payments received from the Electoral Commission of donations protected from disclosure.

The return's contents have been determined by considering the questions set out in the Appendix to this letter and the relevant provisions of the Act.

Where an assessment has been made of the reasonable market value of a donation, the basis of the assessment is fair and appropriate, and has been properly applied and recorded.

Any and all misstatements you have identified during the course of your audit have been adjusted in the final return.

I have completed my own procedures, distinct from your audit processes, to evaluate the accuracy and completeness of the return.

The return is free of any material misstatements or omissions.

RH

These representations are made in terms mutually agreed between us, and to supplement information obtained by you from the records of the Party and to confirm information given to you orally.

Yours sincerely

APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:

What benefits to the party were "donations"?

1.13 What gifts of money did the party receive?

Any money donated to the party, regardless of method of payment, is a donation [section 207 definition of **party donation**]. This includes donations protected from disclosure [see below].

1.14 What gifts of goods or services did the party receive?

Any goods or services donated to the party that have a reasonable market value of greater than \$1,500 (other than volunteer labour) are donations, including the value of GST [section 207 definition of **party donation**, and section 207A].

1.15 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided to the party at a discount?

Where the reasonable market value is more than \$1,500, the difference in value (discount) is a donation [section 207 definition of **party donation** at paragraph (a)(i), and section 207A].

1.16 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided by the party at a premium?

The difference in value (premium) is a donation [section 207 definition of **party donation** at paragraph (a)(ii), and section 207A].

1.17 What was the value to the party of the terms and conditions of any credit provided to the party on more favourable terms and conditions than prevailed at the time?

The value to the party of the more favourable terms and conditions is a donation [section 207 definition of **party donation** at paragraph (a)(iii)].

What donations were made to the “party”?

- 1.18 Was the donation provided to the party or to any person or organisation on behalf of the party? [section 207 definition of **party donation**]

The “party” is the registered political party [section 3 definition of **party**, and paragraph 14 below].

Apart from candidate donations [paragraph 13 below], all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be returned as being received by the party.

The only segment of political parties recognised distinctly in electoral law is “candidates”.

Do any of the donations identified above, or components of those donations, fall within the party donation exclusions? [section 207 definition of **party donation** at paragraph (b)]

- the labour of any person provided free of charge by that person
- goods or services provided free of charge, or which have a reasonable market value of \$1,500 or less
- any candidate donation that is included in a candidate donation return filed under section 209

Do not include these items in the calculation of party donations.

Apart from donations protected from disclosure, which persons made “donations” to the party and which persons made “contributions to a donation”? [section 210(1) and paragraph 15 below]

- 1.19 Did person A make the donation directly to the party (or any person or organisation involved in the administration of the affairs of the party)?

If yes:

- Person A is a “donor” and made a “donation” [section 207 definition of **donor** and definition of **party donation**].

Include this donation in the calculation of donations from person A.

If no:

- 1.20 Did person A give their donation to another person or organisation (person B) to forward on (transmit) to the party?

If yes:

- Person A is a “donor” and made a “donation” [section 207 definition of **donor** and definition of **transmitter**, and section 207B].

Include this donation in the calculation of donations from person A.

- Person B is a “transmitter” and is not a donor [section 21 definition of **donor** and definition of **transmitter**, and section 207B].

Do not include this transmission in the calculation of donations or contributions from person B.

If no:

- 1.21 Did person A give their donation to another person or organisation (person C) with the knowledge or expectation that it would be wholly or partly applied to funding a donation to the party?

If yes:

- Person A is a “contributor” and made a “contribution to a donation” [section 207 definition of **contribution** and definition of **contributor**, and section 207C].

Include this contribution in the calculation of contributions to donations from person A.

- Person C is a “donor” and made a “donation” [section 207 definition of **donor** and definition of **donation funded from contributions**, and section 207C].

Include the donation that person A contributed to (that is, the entire donation that was given to the party by person C) in the calculation of donations from person C.

NOTE: whether an intermediary is a **transmitter** of a donation on behalf of a donor, or is a **donor** making a donation funded from contributions, will be a question of fact taking into account all of the provisions pertaining to **transmitters** and **contributions**.

Which donations must be included in the return? [section 210]

- 1.22 Which donors donated more than \$15,000 in aggregate during the calendar year? [section 210(1)(a)]

This includes any donations made through a transmitter [paragraph 14.2 above].

- Include these donations in the return in **Part A**

- 1.23 Did the party disclose donations exceeding \$30,000 during the year? [section 210C].
- Include these donations in the return in **Part A**
- 1.24 Which contributors to donations made contributions exceeding \$1,500 during the calendar year, which when aggregated exceeded \$15,000? [section 210(1)(b)]
- Include these contributions in the return in **Part B**
- 1.25 Which anonymous donations exceeded \$1,500 and who was the excess returned or paid to? [section 207 definition of anonymous, section 207I and section 210(1)(c)]
- Include these donations in the return in **Part C**
- 1.26 Which donations made by overseas persons exceeded \$1,500 in aggregate during the calendar year, and who was the excess returned or paid to? [section 207K(1) definition of overseas person and the remainder of section 207K, and section 210(1)(d)]
- Include these donations in the return in **Part D**
- 1.27 Which contributors who are overseas persons made a contribution of more than \$1,500 during to calendar year to any party donation?
- Include these donations in the return in **Part E**

- Include these donations in the return in **Part F**
- 1.29 How many other donations were received under the following categories and what was the total value of all donations for each category? [section 210(1)(f) and section 210(6A)(a)-(d)]
