## Independent Auditor's Report

To readers of the Return of Party Donations of United Future New Zealand ("the Party").

### **Report on the Party Donations Return for the period ending 31st December 2012**

We have audited the compliance of the Party with relevant provisions of the Electoral Act 1993 ("the Act"). The return is prepared in accordance with Section 210 of the Act. The return provides information about the past donations of the Party for the regulated period from 1st January 2012 to 31st December 2012 ("the Period").

### ***Respective Responsibilities***

The Party Executive ("the Executive") is responsible for compliance with the relevant provisions under the Electoral Act 1993.

Our responsibility is to express an independent opinion on the Party's compliance with the Act, in all material respects. Other than in our capacity as auditor we have no relationship with or interest in the Party. Our engagement has been conducted in accordance with SAE 3100 to provide reasonable assurance that the Party has complied with the Act. Our procedures included examining, on a test basis, evidence relevant to the amounts and disclosures in the Return. It also includes assessing: -

- the significant estimates and judgements made by the Executive in the preparation of the Return, and
- whether the accounting policies are appropriate to the Party's circumstances, consistently applied and adequately disclosed.

These procedures have been undertaken to form an opinion as to whether the Party has complied, in all material respects, with the relevant provisions under the Electoral Act 1993 for the period from 1st January 2012 to 31st December 2012.

### ***Use of Report***

This report has been prepared for the readers of the Return of Donations of United Future New Zealand. We disclaim any assumption of responsibility for any reliance on this report for any purpose other than that for which it was prepared.

### ***Inherent Limitations***

Because of the inherent limitations of measurement of donations or contributions made in certain circumstances and there are no practical audit procedures to determine the effect of that limited control, it is possible that fraud, error or non-compliance may occur and not be detected. As the procedures performed for this engagement are not performed continuously throughout the regulated period and the procedures performed in respect of the Party's compliance with relevant provisions under the Act are undertaken on a test basis, our assurance engagement cannot be relied upon to detect all instances where the Party may not have complied with the Act. The opinion expressed in this report has been formed on the above basis.

Other than in our capacity as assurance provider, we have no relationship with, or interests in, the Party.

### ***Opinion***

In our opinion, except for any adjustments that may have been found necessary had we been able to obtain sufficient evidence concerning the measurement of donations or contributions made: -

## APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:

11 What benefits to the party were "donations"?

11.1 What gifts of money did the party receive?

Any money donated to the party, regardless of method of payment, is a donation [section 207 definition of **party donation**]. This includes donations protected from disclosure [see below].

11.2 What gifts of goods or services did the party receive?

Any goods or services donated to the party that have a reasonable market value of greater than \$1,500 (other than volunteer labour) are donations, including the value of GST [section 207 definition of **party donation**, and section 207A].

11.3 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided to the party at a discount?

Where the reasonable market value is more than \$1,500, the difference in value (discount) is a donation [section 207 definition of **party donation** at paragraph (a)(i), and section 207A].

11.4 What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided by the party at a premium?

The difference in value (premium) is a donation [section 207 definition of **party donation** at paragraph (a)(ii), and section 207A].

11.5 What was the value to the party of the terms and conditions of any credit provided to the party on more favourable terms and conditions than prevailed at the time?

The value to the party of the more favourable terms and conditions is a donation [section 207 definition of **party donation** at paragraph (a)(iii)].

12 What donations were made to the “party”?

12.1 Was the donation provided to the party or to any person or organisation on behalf of the party? [section 207 definition of **party donation**]

The “party” is the registered political party [section 3 definition of **party**, and paragraph 14 below].

Apart from candidate donations [paragraph 13 below], all donations received throughout the party administration whether at the national or local level (or other subsidiary entities) must be returned as being received by the party.

The only segment of political parties recognised distinctly in electoral law is “candidates”.

13 Do any of the donations identified above, or components of those donations, fall within the party donation exclusions? [section 207 definition of **party donation** at paragraph (b)]

- the labour of any person provided free of charge by that person
- goods or services provided free of charge, or which have a reasonable market value of \$1,500 or less
- any candidate donation that is included in a candidate donation return filed under section 209

Do not include these items in the calculation of party donations.

14 Apart from donations protected from disclosure, which persons made “donations” to the party and which persons made “contributions to a donation”? [section 210(1) and paragraph 15 below]

14.1 Did person A make the donation directly to the party (or any person or organisation involved in the administration of the affairs of the party)?

If yes:

- Person A is a “donor” and made a “donation” [section 207 definition of **donor** and definition of **party donation**].

Include this donation in the calculation of donations from person A.

If no:

14.2 Did person A give their donation to another person or organisation (person B) to forward on (transmit) to the party?

If yes:

- Person A is a “donor” and made a “donation” [section 207 definition of **donor** and definition of **transmitter**, and section 207B].

Include this donation in the calculation of donations from person A.

- Person B is a “transmitter” and is not a donor [section 21 definition of **donor** and definition of **transmitter**, and section 207B].

Do not include this transmission in the calculation of donations or contributions from person B.

If no:

- 14.3 Did person A give their donation to another person or organisation (person C) with the knowledge or expectation that it would be wholly or partly applied to funding a donation to the party?

If yes:

- Person A is a “contributor” and made a “contribution to a donation” [section 207 definition of **contribution** and definition of **contributor**, and section 207C].

Include this contribution in the calculation of contributions to donations from person A.

- Person C is a “donor” and made a “donation” [section 207 definition of **donor** and definition of **donation funded from contributions**, and section 207C].

Include the donation that person A contributed to (that is, the entire donation that was given to the party by person C) in the calculation of donations from person C.

**NOTE:** whether an intermediary is a **transmitter** of a donation on behalf of a donor, or is a **donor** making a donation funded from contributions, will be a question of fact taking into account all of the provisions pertaining to **transmitters** and **contributions**.

- 15 Which donations must be included in the return? [section 210]

- 15.1 Which donors donated more than \$15,000 in aggregate during the calendar year? [section 210(1)(a)]

This includes any donations made through a transmitter [paragraph 14.2 above].

- Include these donations in the return in **Part A**

- 15.2 Did the party disclose donations exceeding \$30,000 during the year? [section 210C].
- Include these donations in the return in **Part A**
- 15.3 Which contributors to donations made contributions exceeding \$1,500 during the calendar year, which when aggregated exceeded \$15,000? [section 210(1)(b)]
- Include these contributions in the return in **Part B**
- 15.4 Which anonymous donations exceeded \$1,500 and who was the excess returned or paid to? [section 207 definition of anonymous, section 207I and section 210(1)(c)]
- Include these donations in the return in **Part C**
- 15.5 Which donations made by overseas persons exceeded \$1,500 in aggregate during the calendar year, and who was the excess returned or paid to? [section 207K(1) definition of overseas person and the remainder of section 207K, and section 210(1)(d)]
- Include these donations in the return in **Part D**
- 15.6 Which contributors who are overseas persons made a contribution of more than \$1,500 during to calendar year to any party donation?
- Include these donations in the return in **Part E**
- 15.7 How much did the party receive from the Electoral Commission in payments of donations protected from disclosure and how much interest was included in those payments? [section 208D and section 210(1)(e)]
- Include these donations in the return in **Part F**
- 15.8 How many other donations were received under the following categories and what was the total value of all donations for each category? [section 210(1)(f) and section 210(6A)(a)-(d)]
- anonymous donations of \$1,500 or less
  - overseas donations of \$1,500 or less
