## **To the Party Secretary**

### **Report on the New Zealand Council of the New Zealand Labour Party Donations and Loans Return**

We have reviewed the compliance of the New Zealand Council of the New Zealand Labour Party (“the Party”) with sections 210 and 214C of the Electoral Act 1993 (“the Act”). The attached Party Donations and Loans Return (“the Return”) is comprised of parts A to I inclusive and covers the 12 month period from 1 January 2016 to 31 December 2016.

#### **Party Secretary's Responsibilities**

The Party Secretary is responsible for ensuring that the Electoral Commission receives a return of the Party's donations and loans received for the 12 month period from 1 January 2016 to 31 December 2016. This is done on behalf of the Party and the Party Secretary is also responsible for compliance with the relevant provisions under the Act.

#### **Our Responsibilities**

Our responsibility is to express an opinion on the Return in terms of the requirements and appropriate provisions of Section 210 and Section 214C of the Electoral Act 1993, in all material respects. Our review has been conducted in accordance with SAE 3100 (NZ) *Compliance Engagements* to provide limited assurance that the Party has complied, in all material respects, with section 210 and section 214C of the Electoral Act 1993.

Our procedures included examining evidence relevant to the amounts and disclosures made in the Return. These procedures have been undertaken to form an opinion that nothing has come to our attention that causes us to believe that the Party has not complied in all material respects, with the relevant provisions under the Electoral Act 1993 for the 12 month period from 1 January 2016 to 31 December 2016.

#### **Use of Report**

This report was prepared solely the Party Secretary of the New Zealand Council of the New Zealand Labour Party to fulfil reporting requirements established by the Act. We disclaim any assumption of responsibility for any reliance on this report for any purpose other than that for which it was prepared.

#### **Inherent Limitations**

Because of the inherent limitations of any donations or contributions made in certain circumstances and there are no practical audit procedures to determine the effect of that limited control, it is

possible that fraud, error or non-compliance may occur and not be detected. A review is not designed to detect all instances of non-compliance with relevant Sections of the Act, as it generally comprises making enquiries, primarily of the responsible party, and applying analytical and other review procedures.

The opinion expressed in this report has been formed on the above basis.

Other than in our capacity as auditor and providing taxation advice, we have no relationship with, or interests in, the New Zealand Council of the New Zealand Labour Party.

### Qualified Opinion

Based on the evidence obtained from the procedures we note the following limitations:

- Donation income belongs to an organisation once it is received, but there are generally no practical procedures available to give an independent accountant assurance that all income of this nature, whether in the form of cash or as donated services, received by an organisation is actually recorded by that entity. Accordingly, an independent accountant appointed to an organisations receiving significant amounts of donations usually qualifies their opinions to reflect the practical limitations of an audit in this area.
- In common with other organisations receiving similar income, control over donations income received by The New Zealand Council of the New Zealand Labour Party prior to it being recorded is limited, and as commented in the preceding paragraph, there are no practical review procedures to determine the effect of this limited control. Due to the nature of the issue, we do not believe there is further information that can be provided to us by the Party which would allow us to determine the effect of this limited control.
- We are not the auditor of the New Zealand Council of the New Zealand Labour Party Labour Electorate Committees or branches, our scope was therefore limited in respect of assessing the completeness of donations and loans which may have been received and established at Local Electorate Committees or branch level.
- In addition, we were unable to obtain independent confirmation of the residency status of particular donors noted in Part G and Part E and therefore have gained no assurance over the associated disclosure according to 210 (1) (d) of the Electoral Act 1993. We were unable to satisfy ourselves as to the residency-status of these particular donors by any other audit procedures.

Except for the possible effects of the matters described above, nothing has come to our attention that causes us to believe that the Return for the New Zealand Council of the New Zealand Labour Party, does not comply, in all material respects, with Section 210 and 214C of the Electoral Act 1993 for the 12 month period from 1 January 2016 to 31 December 2016.

#### Other Matters

Per the Electoral Act 1993:

- We found nothing to suggest that proper accounting records were not kept and when questions were put to the client we received all the explanations we required.

#### **Restriction on use of our report**

This report is made solely to the Party Secretary. Our audit work has been undertaken so that we might state to the Party Secretary, those matters which we are required to state to them in a reviewer's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Party Secretary and the Party, for our review work, for this report or for the opinion we have formed.

**Letter of Representation for Party Donations and Loans Return for the 2016 calendar year**

This representation letter is furnished in connection with the return of party donations and loans for the 2016 calendar year (the return) by the New Zealand Labour Party (the Party) made in accordance with sections 210 and 214C of the Electoral Act 1993 (the Act) which has been subject to an assurance engagement and reported on by you in accordance with sections 210A and 214D of the Act.

I understand that your assurance engagement was conducted in accordance with the relevant provisions of the Act and the applicable auditing and assurance standards issued by the New Zealand Auditing and Assurance Standards Board.

I confirm and take responsibility for the following representations after taking all reasonable steps to assure myself of them:

- 1 The return has been prepared in accordance with the relevant provisions of the Act.
- 2 I am responsible for establishing and maintaining a system of internal control designed to provide reasonable assurance as to the integrity and reliability of the return. I have done this, and all explanations or demonstrations of this to you have been complete and accurate.
- 3 All records, documents and accounts (records) have been kept by the Party (including subsidiary entities) and made available to you, and these materials will be retained in accordance with the requirements of the Act.
- 4 I have disclosed to you to the best of my knowledge:
  - 4.1 any material transactions not disclosed in the records;
  - 4.2 any alleged, suspected or proven illegal activity under the Act or other legislation potentially relevant to the return or instances of non-compliance with applicable requirements;
  - 4.3 the fact of, and results from, any assessment made by me that considered whether the records of the Party may be materially misstated or incomplete for any reason; and
  - 4.4 any design deficiencies in the compliance system and instances where that system has not operated as described.

- 5 The return contains the total returnable donations received by the Party in the 2016 calendar year. The return includes:
  - 5.1 donations in the form of money, goods or services paid for by others, discounts given on goods or services provided to the party, premiums paid in respect of good or services provided by the party, and credit provided to the party at terms more favourable than the prevailing commercial terms, including the value of GST on any of those items;
  - 5.2 donations of more than \$15,000 in aggregate from an individual donor;
  - 5.3 donation contributions of more than \$1,500 from an individual contributor that add up to more than \$15,000 in aggregate from that contributor;
  - 5.4 anonymous donations and overseas donations of more than \$1,500;
  - 5.5 donation contributions from an overseas person of more than \$1,500;
  - 5.6 payments received from the Electoral Commission of donations protected from disclosure;
  - 5.7 the number of, and aggregate amount of, anonymous donations, and overseas donations, of \$1,500 or less;
  - 5.8 the number of, and aggregate amount of, donations of more than \$1,500 but not more than \$5,000;
  - 5.9 the number of, and aggregate amount of, donations of more than \$5,000 but not more than \$15,000.
- 6 The return includes:
  - 6.1 Any loans entered into during the year that exceed \$15,000;
  - 6.2 Any loans exceeding \$15,000 entered into in any previous year (from 25 March 2014) that have an unpaid balance exceeding \$15,000 as at 31 December 2016;
  - 6.3 Any loans entered into during the year of less than or equal to \$15,000 if the loan exceeds \$15,000 when aggregated with all other loans entered into during the year by the same lender and any unpaid balances of any loans from the same lender in any previous year (from 25 March 2014);
  - 6.4 The number and aggregate amount of all other loans entered into during the year of not less than \$1,500 and not more than \$15,000.
- 7 The return's contents have been determined by considering the questions set out in the Appendix to this letter and the relevant provisions of the Act.
- 8 Where an assessment has been made of the reasonable market value of a donation, the basis of the assessment is fair and appropriate, and has been properly applied and recorded.
- 9 Any and all misstatements you have identified during the course of your assurance engagement have been adjusted in the final return.
- 10 I have completed my own procedures, distinct from your assurance engagement processes, to evaluate the accuracy and completeness of the return.

- 11 New Zealand Labour Party has obtained clarification from the Electoral Commission over the treatment of artwork sold by Auction. When art work is sold in excess of the market value, the market value for the art work should be recorded as donor's contribution and the premium paid over market value should be recorded as the purchaser's donation.
- 12 Artwork sold during the period for \$35,000 had an initial valuation of \$24,000. The donation has been allocated such that \$24,000 is record as received from the individual who donated the artwork with the balance being allocated to the individual who purchase the artwork.
- 13 The return is free of any material misstatements or omissions.

These representations are made in terms mutually agreed between us, and to supplement information obtained by you from the records of the Party and to confirm information given to you orally.

Yours sincerely

Andrew Kirton  
Party Secretary

## APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:

<b>What benefits to the party were "donations"? [sections 207 and 207A]</b>	
<i>What gifts of money did the party receive?</i>	Any money donated to the party, regardless of method of payment, is a donation. This includes donations protected from disclosure.
<i>What gifts of goods or services did the party receive?</i>	Any goods or services donated to the party that have a reasonable market value of greater than \$1,500 (other than volunteer labour) are donations, including the value of GST.
<i>What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided to the party at a discount?</i>	Where the reasonable market value is more than \$1,500, the difference in value (discount) is a donation.
<i>What was the difference between the contract price and the reasonable market value (including GST) of any goods or services provided by the party at a premium?</i>	The difference in value (premium) is a donation.
<i>What was the value to the party of the terms and conditions of any credit provided to the party on more favourable terms and conditions than prevailed at the time?</i>	The value to the party of the more favourable terms and conditions is a donation.
