DONATIONS Complete Parts A to G

Party Donations

A party donation is a donation of money, goods or services that is made to a party. A party donation includes:

- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500, the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation
- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)

- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

The following are not a party donation:

- volunteer labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less, or
- a candidate donation that is included in a candidate's return of donations.

PART A: PARTY DONATIONS OF MORE THAN \$15,000

Instruction for Part A – Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2018 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see **Parts B, C, D, E, F and G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation. Contributions of more than \$15,000 must be disclosed in **Part B** (or **Part E** for overseas contributors). Contributions of \$15,000 or less do not have to be included in the return.

INDEPENDENT AUDITOR'S REPORT

To the Party Secretary of ACT New Zealand

Report on the Party Donation Return of ACT New Zealand

I have audited the attached Return of Party Donations (the 'Return') prepared by the ACT New Zealand Party for the period 1 January 2018 to 31 December 2018. The Return is comprised of parts A to I inclusive and is prepared in accordance with appropriate provisions of Section 210 of the Electoral Act 1993. The Return provides information about party donations made to ACT New Zealand.

Party Secretary's Responsibilities

The Party Secretary of ACT New Zealand is responsible for the preparation of the Return which fairly reflects the party donations received by ACT New Zealand for the period 1 January 2018 to 31 December 2018 and to ensure that the Electoral Commission receives the Return in compliance under the Electoral Act 1993.

Auditor's Responsibilities

My responsibility is to express an opinion on the Return in terms of the requirements of section 210 of the Electoral Act 1993, in all material respects. My engagement has been conducted in accordance with SAE 3100 to provide reasonable assurance that ACT New Zealand has complied with Section 210 of the Electoral Act 1993.

My procedures were conducted in accordance with International Auditing Standards (New Zealand). These procedures have been undertaken to form an opinion as to whether ACT New Zealand has complied, in all material respects, with Section 210 of the Electoral Act 1993 for the period 1 January 2018 to 31 December 2018.

Other than in my capacity as auditor I have no relationship with, or interests in, ACT New Zealand.

Inherent Limitations

Because of the inherent limitations of any donations or contributions made in certain circumstances and there are no practical audit procedures to determine the effect of that limited control, it is possible that fraud, error or non-compliance may occur and not be

detected. As the procedures performed for this engagement are not performed on a regular basis and performed in respect of the Party's compliance with the provisions made under the Act, my assurance engagement cannot be relied upon to detect all instances where the Party may not have complied with the Act. The opinion expressed in this report has been formed on the above basis.

Based on the evidence obtained from the procedures I note the following limitations:

- Donations income belongs to an organisation once it is received, but there are generally no practical procedures available to give an auditor assurance that all income of this nature, whether in the form of cash or as donated services, received by an organisation is actually recorded by that entity. Accordingly, auditors of organisations receiving significant amounts of donations usually qualify their audit opinion to reflect the practical limitations of an audit in this area.
- In common with other organisations receiving similar income, control over donations income received by ACT New Zealand prior to it being recorded is limited, and as commented in the preceding paragraph, there are no practical audit procedures to determine the effect of this limited control. Due to the nature of the issue, I do not believe there is further information that can be provided to me by the Party which would allow me to determine the effect of this limited control.

Opinion

In my opinion, except for the possible effects of the matters described above, nothing has come to my attention that causes me to believe that the Return for ACT New Zealand, does not comply, in all material respects with the requirements of Section 210 of the Electoral Act 1993 for the 12 month period from 1 January 2018 to 31 December 2018.

Further, the Party has not entered in to any loans that require to be disclosed in the Return in accordance with section 214D of the Electoral Act 1993.

In forming my opinion, I was reliant on the information provided to me by the Party

APPENDIX to Letter of Representation

The return's contents have been determined by considering, in the following sequence, these questions and the relevant provisions of the Act:
