DONATIONS Complete Parts A to G

Party Donations

A party donation is a donation of money, goods or services that is made to a party.
A party donation includes:

- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500, the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation
- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)

- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

The following are not a party donation:

- volunteer labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less, or
- a candidate donation that is included in a candidate's return of donations.

PART A: PARTY DONATIONS OF MORE THAN \$15,000

Instruction for Part A – Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2018 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see **Parts B, C, D, E, F and G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation. Contributions of more than \$15,000 must be disclosed in **Part B** (or **Part E** for overseas contributors). Contributions of \$15,000 or less do not have to be included in the return.

A party loan is a written or oral agreement under which a lender lends money to a political party. Money lent by a registered bank at a commercial interest rate is not a party loan, nor are credit cards and overdraft facilities with registered banks.

**INDEPENDENT AUDITOR'S REPORT
TO THE PARTY SECRETARY OF THE NEW ZEALAND NATIONAL PARTY**

Qualified Opinion

We have audited the attached Return of Party Donations and Loans (the 'Return') prepared by The New Zealand National Party (the 'Party') for the period 1 January 2018 to 31 December 2018. The Return is prepared in accordance with section 210 and section 214C of the Electoral Act 1993. The Return provides information about party donations and loans made to the Party.

In our opinion, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the attached Return of Party Donations and Loans fairly reflects, in accordance with section 210 and 214C of the Electoral Act 1993, the party donations and loans received by The New Zealand National Party for the period 1 January 2018 to 31 December 2018.

In forming our opinion we were reliant on the information provided to us by the Party Secretary.

Basis for Qualified Opinion

Based on the evidence obtained from the procedures we note the following limitations:

- Donation income belongs to an organisation once it is received, but there are generally no practical procedures available to determine that all income of this nature, whether in the form of cash or as donated/discounted goods and services, received by an organisation is actually recorded by that entity. Accordingly, an auditor of an organisation receiving significant amounts of donations usually qualifies their opinions to reflect the practical limitations of an audit in this area.
- We are not the auditor of the Party Electorate Committees or branches, our scope was therefore limited in respect of assessing the completeness of donations and loans which may have been received and established at Local Electorate Committees or branch level.
- In addition, per s 210(1)(d) of the Electoral Act 1993, donations received from an overseas person are required to be disclosed separately in Part E and Part G of the Return. Due to the nature of how donations are generally received, controls over determining the residency status of donors is limited and there are no practical procedures to determine the effect of this limited control.

Due to the nature of these issues, we do not believe there is further information that can be provided to us by the Party which would allow us to determine the effect of these limited controls.

Party Secretary's Responsibilities

The Party Secretary is responsible for the preparation of the Return under section 210 and section 214C, and for such internal control as the Party Secretary determines is necessary to enable the preparation of a Return that is free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility to express an independent opinion on the Return in terms of the requirements of section 210 and 214C of the Electoral Act 1993. Our engagement has been conducted in accordance with SAE 3100 Compliance Engagements to provide reasonable assurance that the Party's Return has complied with section 210 and section 214C of the Electoral Act 1993. These procedures have been undertaken to form an opinion as to whether the Party has complied, in all material respects, with section 210 and 214C of the Electoral Act 1993 for the period 1 January 2018 to 31 December 2018.

We are independent of The New Zealand National Party in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and

Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Other than in our capacity as auditor we have no relationship with, or interests in, the Party.

Who we Report to

This report is made solely to the Party Secretary. Our audit work has been undertaken so that we might state to the Party Secretary those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Party Secretary, for our audit work, for this report, or for the opinions we have formed.

Other Matters

Proper accounting records of party donations, once entered in those records, have been kept by the Party as far as appears from our examination of those records.

Inherent Limitations

Because of the inherent limitations of the audit process, it is possible that fraud, error or non-compliance may occur and not be detected. As the procedures performed for this engagement are not performed continuously throughout year and the procedures performed in respect of Party's compliance with section 210 and 214C of the Electoral Act 1993 are undertaken on a test basis, our assurance engagement cannot be relied on to detect all instances where the Party may not have complied with section 210 and 214C of the Electoral Act 1993. The opinion expressed in this report has been formed on the above basis.

- 9 Any and all misstatements you have identified during the course of your assurance engagement have been adjusted in the final return.
- 10 I have completed my own procedures, distinct from your assurance engagement processes, to evaluate the accuracy and completeness of the return.

- 12 The National Party headquarters have completed their own procedures to ensure that all party donations received by the Party's Electorates have been passed on to the party and disclosed in the donation return.

13 I have advised the auditors that an allegation has been made relating to the origin of eight donations and this allegation has been denied. We have confirmed that we have seen no evidence or documentation to support the allegation made and that the Party has handled these donations in the appropriate way based on the information provided to us. Through the investigations undertaken by the NZ Police into the donations mentioned, we have not been advised by the NZ Police of any concerns in regard to the NZ National Parties handling of these donations. We also appreciate the SFO have decided to look into these donations and as at today's date the NZ National Party has not been informed by the SFO as to the specific concerns the SFO are looking into at this stage.

These representations are made in terms mutually agreed between us, and to supplement information obtained by you from the records of the Party and to confirm information given to you orally.

Yours sincerely

Greg Hamilton
Party Secretary
