DONATIONS Complete Parts A to G

Party Donations

A party donation is a donation of money, goods or services that is made to a party. A party donation includes:

- where a party is provided with goods or services free of charge that have a reasonable market value of more than \$1,500 (or \$50 if provided by an overseas person - see Part D for more information on who is an overseas person)
- where a party is provided with discounted goods or services and the reasonable market value of the goods or services is greater than \$1,500 (or \$50 if provided by an overseas person); the difference between the contract or agreed price and the reasonable market value of the goods or services is a donation

- when a party sells over-valued goods or services, the difference between the price paid and the reasonable market value is a donation (for example a fundraising auction or dinner)
- where credit is provided to a party on more favourable terms than those prevailing at the same time for similar credit, the value of the favourable terms is a donation.

The following are not a party donation:

- volunteer labour
- goods or services provided free of charge to a party, or to any person on the party's behalf, that have a reasonable market value of \$1,500 or less (or \$50 or less if from an overseas person), or
- a candidate donation that is included in a candidate's return of donations.

PART A: PARTY DONATIONS OF MORE THAN \$15,000

Instruction for Part A – Donations over \$15,000

Party donations of more than \$15,000 (including GST) received during 2020 are required to be declared in **Part A**, including a series of donations received from the same donor during the year that add up to more than \$15,000. Also include those donations exceeding \$30,000 received during the year and reported under section 210C.

Do not include in **Part A** contributions to donations, anonymous or overseas donations, donations protected from disclosure, or donations not exceeding \$15,000 (see **Parts B, C, D, E, F and G**).

You need to record the name and street address of the donor, the date the donation was received and the amount received from the donor. Where you have received a number of donations from the same donor you should include each date on which a donation was received from the donor and the aggregated total from the donor. You also need to confirm whether any person (other than the donor) has contributed more than \$15,000 to the donation (or more than \$50 if the contributor is an overseas person). Contributions of more than \$15,000 must be disclosed in **Part B** (or **Part E** for overseas contributors).

For any donations from a trust, include the name of the person at whose direction the donation was made.

PART B: CONTRIBUTIONS OF MORE THAN \$15,000

Instructions for Part B – Contributions over \$15,000

A contribution is money, goods or services that makes up a donation or is included in a donation or has been used to wholly or partly fund a donation, that was given to the donor or a person who was expected to pass the contribution to the donor. Only complete **Part B** if the donation in **Part A** includes a contribution, from someone other than the donor, exceeding \$15,000.

For each contribution in **Part B** you will need to provide:

- the name and street address of each contributor
- the line number of the donation in **Part A** that the contribution was part of and the date the donation was received
- the amount of each contribution made by the contributor, or in the case of multiple contributions, the total amount of the contributions from the same person to the donation during the year.

PART C: ANONYMOUS PARTY DONATIONS OF MORE THAN \$1,500

Instructions for Part C – Anonymous donations over \$1,500

An anonymous donation is a donation made in such a way that the party who receives the donation does not know the identity of the donor and could not, in the circumstances, reasonably be expected to know the identity of the donor.

If an anonymous donation is over \$1,500 the party is entitled to keep \$1,500. The balance of the donation must, within 20 working days of receipt, be paid to the Electoral Commission for payment into a Crown bank account.

Anonymous overseas donations over \$50

Where you have reasonable grounds to suspect the anonymous donor is an overseas person, the party is entitled to keep \$50. The balance of the payment

must be paid to the Electoral Commission for payment into a Crown bank account. Please see Part D for more information on who is an overseas person.

In **Part C** you must declare:

- the date the donation was received; and
- the amount received; and
- the amount paid to the Electoral Commission; and
- the date payment was made to the Electoral Commission.

PART D: OVERSEAS PARTY DONATIONS OF MORE THAN \$50

Instructions for Part D – Overseas donations over \$50

Donations from an overseas person

An overseas person is:

- an individual who resides outside New Zealand and is not a New Zealand citizen or registered elector, or
- a body corporate incorporated outside New Zealand; or
- an unincorporated body that has its head office or principal place of business outside New Zealand.

On 1 January 2020, the Electoral Act 1993 was amended to lower the overseas donation threshold from \$1,500 to \$50. If a donation from an overseas person is over \$50 (either on its own or when aggregated with all other donations made by or on behalf of the same overseas person during the year) the party is entitled to keep \$50 and within 20 working days must either return the excess to the donor or pay the excess to the Electoral Commission.

In **Part D** you must declare:

- the name and street address of the overseas person; and
- the date the donation was received or, in the case of multiple donations, the date each donation was received; and
- the amount of the donation or, in the case of aggregated donations, the total amount of the donations; and
- the amount returned to the overseas person or paid to the Electoral Commission, and the date that such payment was made.

PART E: CONTRIBUTIONS FROM OVERSEAS PERSON OF MORE THAN \$50

Instructions for Part E – Overseas contributions over \$50

If you receive any donation from a donor who is not an overseas person that includes a contribution from an overseas person greater than \$50 (either on its own or when aggregated with other contributions to the donation by the same overseas person), you must return the whole donation to the donor. If that is not possible, you must forward the whole donation to the Electoral Commission.

In **Part E** you must declare:

- the name and street address of the overseas person; and
- the amount of the contribution or, in the total amount of aggregated contributions; and
- the date the donation was received or, in the case of multiple donations, the date each donation was received; and

PART F: DONATIONS PROTECTED FROM DISCLOSURE

Instructions for Part F – Donations protected from disclosure

A donation protected from disclosure enables a person to make an anonymous donation of more than \$1,500 to a registered party without their identity being disclosed to either the public or the party receiving the donation.

The current maximum amount that an individual or body can donate to any one party through this process is \$48,441 between two successive elections. No party may currently receive more than \$322,940 from donations protected from disclosure between two successive elections.

In Part F you must declare:

- the date the payment was received
- the amount of the payment
- the amount of any interest included in the payment

PART G: OTHER PARTY DONATIONS UP TO \$15,000

Instructions for Part G – Other party donations up to \$15,000

The total number and value of other party donations received in the following bands must be disclosed in **Part G**:

- anonymous party donations of \$1,500 or less
- party donations of more than \$1,500 up to and including \$5,000
- party donations of more than \$5,000 up to and including \$15,000.

Although aggregation is generally required for donations there is no requirement to aggregate donations from the same donor for the purposes of determining what donations to include and in which band in **Part G**. If a donor has made more than one donation in a category each donation should be counted separately when calculating the number of donations.

Example:

If you received two donations of \$3,000 from the same donor in the calendar year, these should be recorded as two donations in the 'Donations exceeding \$1,500 but not exceeding \$5,000' band.

Party Loans exceeding \$15,000

A party loan is a written or oral agreement under which a lender lends money to a political party. Money lent by a registered bank at a commercial interest rate is not a party loan, nor are credit cards and overdraft facilities with registered banks.

PART H: PARTY LOANS EXCEEDING \$15,000

Instructions for Part H – Party loans exceeding \$15,000

Party loans from the same lender exceeding \$15,000 entered into during the year (including those exceeding \$30,000 that have been reported during the year under section 214F) must be reported in **Part H**.

Loans from the same lender need to be aggregated. Include loans entered into during the year not exceeding \$15,000, but that exceed \$15,000 when aggregated with all other loans from the same lender during 2020 or unpaid balances as at 31 December 2020 of any loans provided by the same lender in any previous year (from 25 March 2014).

Reasonable Assurance Report on New Zealand Council of the New Zealand Labour Party's Donations and Loans Return compliance with the requirements of sections 210 and 214C of the Electoral Act 1993 as evaluated against the Party Donations and Loans Return for the year ending 31 December 2020

To the New Zealand Council of the New Zealand Labour Party

Opinion

We have undertaken a reasonable assurance engagement on New Zealand Council of the New Zealand Labour Party's ("the Party") compliance, in all material respects, with the requirements of sections 210 and 214C of the Electoral Act 1993 (the "Act") as evaluated against the Party Donations and Loans Return for the year ended 31 December 2020 ("the Return").

In our opinion, except for the effects of the matters described in the Basis of Qualified Opinion section of our report, the Party has complied, in all material respects, with the requirements of the Act as evaluated against the Party Donations and Loans Return for the year ended 31 December 2020.

Basis for Qualified Opinion

We were unable to obtain sufficient appropriate evidence about the Party's return in respect to the following matters:

- With the exception of donations received via the online donation portal, there are limited controls that ensure donations included in the return are complete. Accordingly, we were unable to obtain sufficient appropriate evidence in this regard. Consequently, we were unable to determine whether any adjustments to the amount of donations revenue recorded was necessary; and
- Per s 210(1)(d) of the Electoral Act 1993, donations received from an overseas person are required to be disclosed separately in Part E and Part G of the Return. Due to the nature of how donations are generally received, controls over determining the residency status of donors is limited and there are no practical procedures to determine the effect of this limited control.

We conducted our engagement in accordance with Standard on Assurance Engagements (SAE) 3100 (Revised) *Compliance Engagements* issued by the New Zealand Auditing and Assurance Standards Board.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Party's Responsibilities

The Party is responsible for:

- a. Preparation of the Return in compliance with the requirements of the Act; and
- b. Identification of risks that threaten the Act identified above being met and controls which will mitigate those risks and monitor ongoing compliance.

Our Independence and Quality Control

We have complied with the relevant ethical requirements relating to assurance engagements, which include independence and other requirements founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

In accordance with the Professional and Ethical Standard 3 (Amended) issued by the New Zealand Audit and Assurance Standards Board, the Grant Thornton New Zealand Audit Limited maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Assurance Practitioner's Responsibilities

Our responsibility is to express an opinion on the Party's compliance, in all material respects, with the Act as evaluated against the return throughout the year ended 31 December 2020. SAE 3100 (Revised) requires that we plan and perform our procedures to obtain reasonable assurance about whether the Party has complied, in all material respects, with the requirements of the Act, throughout the year ended 31 December 2020.

An assurance engagement to report on the Party's compliance with the Act involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the requirements of the Act. The procedures selected depend on our judgement, including the identification and assessment of risks of material non-compliance with the requirements of the Act as evaluated against the Return.

Other than in our capacity as auditor of New Zealand Council of New Zealand Labour Party for the year ended 31 December 2020 and providing taxation advice, we have no other relationship with, or interests in, the Party.

Inherent Limitations

Because of the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with compliance requirements may occur and not be detected.

A reasonable assurance engagement for the year ended 31 December 2020 does not provide assurance on whether compliance with the requirements of the Act will continue in the future.

Restricted Use

This report is made solely to the New Zealand Council of the New Zealand Labour Party in accordance with the requirements of the Act. Our compliance work has been undertaken so we can state to the New Zealand Council of the New Zealand Labour Party those matters undertaken and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the New Zealand Council of the New Zealand Labour Party for our compliance work, or for any other purpose other than that for which it was prepared.
